A Romantic Vow of Love

By DarkLink007

I'm giving thanks to CyberMew, for lending me her damned *NSync CD. I will also thank Mr. Miyamoto for making a game that I shall always play. THANK YOU NINTENDO!

I promise you Zelda, that any interference with our marriage will be brought to an end immediately. I will take you in my arms, and lead you into a world of life.

I've loved you in many lifetimes before hand. How, we will never know. It was like we were destined to be with each other.

I will keep your faith when yours leaves. Till the day my life ends, I will and shall do this.

I promise you that never, shall you hurt anymore. I give my word, and love.

This was a battle we have won on the sacred battlefield. And through that battle, I would fall while coming on your call, risking my life for you.

That is why I am here. I will be your husband. Not for land and wealth, but for everlasting love.

So, when there is to be no love forever, that's when I'll stop loving you thoroughly. By Din's name, do not let that happen, as I will

always be with you; you will never be alone.

Zelda, you shall be mine now and forever. Please accept my love with your open heart.

I love you.

file.
